

Who are the American Legion Riders?

The American Legion Riders consist of more than 700 local Riders and chapters in 48 states and several foreign countries. The American Legion Riders are a diverse group of motorcycle enthusiasts sharing common goals. All are members or spouses of **The American Legion, American Legion Auxiliary, and Sons of The American Legion** –all are united by patriotism. They answer the call to ride in service to America's military, her veterans, and for the children and youth of our country.

The activities of The Legion Riders are limited only by the imagination of the members of the local Riders organizations, and many local chapters have independently raised thousands of dollars for local children's hospitals, veteran's homes and scholarship programs. Through 2010 Riders united nationally for the Annual **American Legion Legacy Run** and have raised close to \$5,000,000 for the American Legacy Scholarship Fund for the children of those who have given their lives defending our freedoms in the War on Terror.

The American Legion Riders **ARE NOT** a motorcycle club but a military family motorcycle association consisting of past and current vets and their families that enjoy riding as a group.

Many local and Minnesota Runs are being organized now.
